Association (TTYFA)

P.O. Box 394  
Tualatin, OR 97062

[www.tualatinyouthfootball.org](http://www.tualatinyouthfootball.org)

To all sponsors of the Tualatin Timberwolves Youth Football Association:

On behalf of approximately 300 players participating in the Tualatin Timberwolves Youth Football Program, volunteer coaches, parents, and board members, please accept our most sincere thanks for your participation in our 2010 sponsorship effort. Your sponsorship donation will enable us to provide each team with equipment, resources and support necessary to make this season a positive experience for all and to continue to promote Tualatin Youth Football for years to come.

Football requires a considerable investment to ensure we provide the safest equipment available for our youth players. Additionally, the TTYFA must pay for the use of the athletic facilities, field maintenance, field lighting, football equipment storage, equipment maintenance, scholarships for players who would otherwise be unable to participate due to financial hardship, and referees.

All sponsor donations are tax deductible, as the TTYFA is a non-profit organization. The generosity of your financial commitment will promote the goodwill of the community and gratitude of the program and the players who participate. The TTYFA needs community support to ensure a successful league. For sponsor levels, see the attached sponsor sheet.

You are an integral part of the ongoing success of Tualatin Youth Football. Thank you for your financial consideration to this worthwhile program. On behalf of the Board of Directors, you have our sincerest thanks and appreciation.

Sincerely,

Brandt Hulse, Sponsorship Director  
Tualatin Timberwolves Youth Football Association
