Dear friends of Tualatin Youth Football:

Are you ready for some football?!! I am Lisa Porter, your president for the Tualatin Timberwolves Youth Football Association. On behalf of the TTYFA Board of Directors, it is with great pleasure that I welcome you to the 2009 season. With registration for the upcoming season kicking off in April, I'm excited to build on our recent successes and our goal of providing kids the opportunity to learn the fundamentals and participate in the sport of football while building a strong foundation and feeder program for Tualatin High School.

Our mission is to develop the finest program possible for our children by providing and maintaining a safe, structured, and properly supervised athletic program. We strive for excellence in our program by teaching discipline, responsibility, self-respect, character and teamwork. Of course, we also strongly encourage not only to excel in athletics, but to recognize the importance in achieving success in academics throughout the participant's lives.

I would like to personally thank the Board of Directors, their families and all of the parents and families who have shown support for our organization. I also want to extend the Board's sincere appreciation to all of our sponsors, advertisers, patrons, parents, volunteers, team moms and friends for your generous contributions and continuing support to help our organization become a success. It would be impossible to run a program such as this without this generous support.

TTYFA is always looking for individuals or local businesses that would like to sponsor or make a donation to our youth football program. Please feel free to contact me through this website for information about our various levels of sponsorship. We are a 501 (c) 3 Non-Profit Youth Organization incorporated in the State of Oregon. All monies donated go directly to support the program, including, providing for scholarships to those kids that would otherwise not be able to participate.

As mentioned, we are a volunteer organization, and as such, need as much help as we can find to continue to make good things happen for our kids. I would encourage you to volunteer and help our kids through giving of your time. We're not asking for a lot, and the reward of being a part of a child's sporting experience is invaluable.

Within our website: www.tualatinyouthfootball.org, you will find most of the information needed to educate and inform you on our program and provide links to other league-related activities and websites. Please feel free to navigate around the site. We strive to keep you up to date with the site and ask your patience as we continue to improve.

We all look forward to next year with pride and hope for a great year filled with much hard work, fun, laughter and success. GO TIMBERWOLVES!!
